About company

Since 2006 BOLD Bespoke Design has been offering services which are synonymous with high-end luxury living. Our company is recognized as one of the top 10 designers and manufacturers of custom furniture in the UAE. Unlike any other custom made furniture and mass manufactured luxury made furniture, a "Bespoke Design" defines and encompasses everything that is truly unique and individual, complimenting the client's taste, desire and lifestyle.

THE DIFFERENT THICKNESSES
